The Indiana Winegrowers Guild

Dear Grape and Wine Enthusiast:

Throughout this brochure you will find information about joining the Indiana Winegrowers Guild. Included is an outline of what we have accomplished as a group, as well as what plans we have for the future of the Guild.

WHO WE ARE...

The Guild is a not-for-profit organization consisting of grape-growers, vintners and educational professionals who have formally joined together for the mutual goal of nurturing the grape/wine industry in Indiana into world-class competitiveness.

HOW WE CAME TO BE...

The Indiana Small Winery Act was passed in 1971 and by 1975, there were enough interested "friends of the grape" to establish the Indiana Winegrowers Guild.

WHAT WE DO...

- Encourage, stimulate and support academic research in enology, viticulture and marketing
- Present and represent members' points of view to State and Federal agencies, as well as the general public
- Assist in the establishment of Indiana viticulture areas
- Support legislation of interest to the wine and grape industry
- Obtain grant funding to support industry projects
